WHY WALK ON MAY 25TH?

May 25th is National Missing Children's Day and all across the world, hundreds of children will be remembered. This special day serves as an annual reminder to renew our efforts in reuniting missing children with their families, honor those who are still missing and make child safety a top priority.

WHY WALK AND RAISE FUNDS FOR THE MISSING CHILDREN'S NETWORK?

Founded in 1985, the Missing Children's Network is the only non-profit organization in Quebec that families can turn to for support and counselling when their child goes missing.

Our organization is not government-funded and depends entirely on the generosity of individuals and corporations to pursue our on-going efforts to find missing children and protect countless others from becoming victims of aggression or exploitation.

The Missing Children's Network has a proven track record! Since we first opened our doors back in 1985, we have assisted law enforcement to recover over 1,450 children and educated over 200,000 school-age children on how to stay safe in their daily activities, both on and offline.

HISTORY OF OUR TINY TOTS WALK OF HOPE

In 2017, we held our inaugural Tiny Tots Walk for Hope, an activity designed specifically for youngsters enrolled in day care centers in the city of Montreal. On May 25th, we proudly welcomed 16 child care centers who joined forces and helped us raise over \$11,000 for our critical mission! In all, 990 youngsters stormed the streets of Montreal and walked 25 minutes in honor of missing children.

Their presence and participation reminded passersby of the importance of children in our lives and our responsibility, as adults, to ensure their safety and well-being each and every day of the year.

Encouraged by the favorable response we received, we set an ambitious goal for the 2019 year – to register 75 child care centers across the province. We are proud to say that last year we surpassed our goal with 29 childcare centers on the island of Montreal and 30 childcare centers off-island participated in our walk and raising over \$19,000 for our mission!
